

PARKING

A convenient parking option is the Circle Centre Moon Garage, located at 26 W. Georgia St. A skywalk connects to our building.

- Take the garage elevator (the sign above the elevator lobby says “Circle Centre Moon Garage”).
- Press M2 to get to the second level of the mall.
- Enter the skywalk to the left of the nail salon. (You’ll see a sign at the skywalk entrance directing you to the Omni Severin Hotel.)
- Cross over the street; when the skywalk Ts, turn left and go through the door that says Station Place.
- Walk past a bank of windows and around a corner; on the right you’ll see our entrance, suite 270.
